Information in Class. It’s pretty much just your basics. :)

Do not wait until the last minute to acquire what you need. Every dance studio in the country has big end of the school year shows, and supplies can get depleted.

Girls – Many of you like to have a basic nude undergarment for comfort and modesty in dressing rooms and during quick changes. If you need to order one let us know immediately. We cannot do it at the last minute! We have a small supply in stock.
