ASHLAND'S DOWNTOWN TRICK-OR-TREAT - TUES OCT 24

Downtown Trick or Treat is TUESDAY from 6-7pm. This is a city function. We are not involved except that we are in the downtown and must participate in a small way. It is not a function of Opus. We just try to fit in with the flow.

TUESDAY Dancer's

- You may wear your Halloween Costumes to class that day. Then if your parents allow you to go trick-or-treating you will be all ready to go.
- **Parents – Please supervise your own child if you allow them to go Downtown Trick or Treating.**
- **Ballet 2 & Tap 2** will be held if there are any dancers who wish to take it.
- **The Intermediate Ballet classes** will be combined at the normal time since we know many of you will want to go Trick-or-Treating. You may wear your costume if you want to, just for fun, but remember you still have to dance so if your costume restricts movement, or is too warm you may want to modify it so you can actually dance. :)

ASHLAND'S NEIGHBORHOOD TRICK-OR-TREAT - THURS OCT 26

Many of our young dancers enjoy this annual tradition so **we will offer a combined class schedule on that day.** The students who want to go to their neighborhood Trick-or-Treat may do so, and the ones who want to come to class may have a class. **Do not wear costumes to class on this day.** We only expect that the children who **do not** wish to participate in Trick or Treat will be in attendance. That is why we combine classes ... because we traditionally have low attendance on this day.

Ballet Prep

- **ONE Combined Class at 4:45-5:15 (splitting the difference)**

Ballet 2 + Low & High Intermediate Ballet

- **Combined Class from 6:35 to 7:45**

There will be Tap & Jazz Classes that day if people come. :)
